# THE HC COMPANIES

Let's grow together

The HC Companies has a trusted and highly respected brand suite that has been servicing North America since 1986. With 125 years of combined expertise in the plastic plant container industry, you know you're getting the best products the market has to offer, and a service that puts your needs first every time.

## LOCATIONS

We have corporate offices and manufacturing facilities located in the communities where you live across North America — helping provide for hundreds of families at our facilities.

## PRODUCTS

The HC Companies offers a large breadth of products differing in size, shape and color to match any home décor. We understand customers vary, from the traditional home gardener with a big yard and front porch, to the beginner, urban grower who is trying out a house plant for the first time. Luckily, we have you covered with both traditional round containers in earthen tones, to modern sleek designs with vibrant hues and everything in between.

## CUSTOMER SERVICE

We are committed to serving our customers by offering quality retail products, on time delivery and easy to work with Sales, Marketing and Customer Service Teams. Our Retail Team acts as a cohesive unit, working together to give you an experience that you can count on. We take pride in being a full-service operation providing retailers with first-rate customer care, and hassle-free ordering and delivery. Our Sales & Marketing Teams bring a wealth of industry and marketing knowledge to support retailers during the decision-making process, while our best in class Customer Service Team provides open lines of communication and total support throughout your entire order.

## GROWING TOGETHER

The HC Companies is dedicated to creating the highest quality decorative planters and horticultural containers for our customers. *We grow together and thrive by:*

- Continuing to innovate and lead the industry with fresh ideas
- Investing in new equipment to stay ahead of the curve
- Creating special connections between people and plants
- Helping make growing easier, from consumers to industrial growing operations
- Listening and understanding your specific pain points
- Finding new possibilities and inspiration in every challenge
- Providing education for consumers and resources for professionals
